BIOGRAPHY

Ms. Matricciani is a lawyer and a registered nurse who focuses her practice on healthcare. She has experience in representing healthcare providers before multiple licensure boards and representing physician practice groups in strategic alliance with hospitals. Ms. Matricciani also has experience reviewing home health contracts for clients in the certificate of need process and licensure for home health agencies in the state of Maryland. Additionally, she has advised healthcare clients on fraud and abuse issues including self-referral, anti-kickback false claims and false statements. Outside of her practice, Ms. Matricciani is the co-author of *Intravenous Drug Abuse and One Academic Health Center*.
