## About the Tremont Grand

Tremont Grand Meeting Facility opened in the fall of 2005. Originally built in 1866, the building underwent reconstruction in 1907 and served as the Grand Lodge of the Maryland Masonic Temple. The building was the Maryland Freemason's headquarters for over 130 years.

Today, this exquisite space has been converted into a state-of-the-art conference facility that integrates the comfort, functionality, and convenience of the Tremont name.

Whiteford, Taylor & Preston is delighted to host our 21st annual seminar at this Baltimore treasure.
